Plan of Development and Scope of Declaration

The name by which this condominium project shall henceforth be known is TARA COURT. The Declarant has caused to be constructed upon the real property described in Exhibit "A" two (2) multi-unit buildings, containing the eight (8) units of the buildings as well as the common areas and facilities of both the buildings and the real property, all as defined hereinabove and as shown upon the plans contained in Exhibit "C" attached hereto and made a part hereof by reference. The units of the buildings, together with their privileges and appurtenances, shall be offered for sale to the public by the Declarant as condominium units pursuant to the provisions of Chapter 47A of the General Statutes of the State of North Carolina, subject to the covenants, conditions, restrictions, and obligations stated in the Articles of this Declaration, the Articles of Incorporation of the Association, its duly adopted By-Laws and its Rules and Regulations.

The Declarant by this Declaration, submits only the real property described on Exhibit "A" together with the improvements thereon, to the Act, and hereinafter this submission shall be referred to as TARA COURT, PHASE I-A. Nevertheless, the Declarant hereby reserves to itself the exclusive right and option, but not the obligation, to add to or expand the property subject to this Declaration by the addition of all or any portion of the real property described in Exhibit "B" hereto attached, made a part hereof, and incorporated herein by reference, in one or more additional phases of TARA COURT upon the following terms and in the following manner:

A. Any addition of real property subject to this Declaration, if any, shall occur only by the registration in the Office of the Register of Deeds of New Hanover County, North Carolina, of one or more supplements to this Declaration, which shall be executed only by the Declarant. The addition to or expansion of the real property subject to this Declaration shall be at the sole discretion of the Declarant without consultation with or consent of any unit owner. Every unit owner in TARA COURT, all phases, by accepting a Deed for a unit therein, shall be deemed to have agreed for himself, his heirs, devisees, successors and assigns to such addition to or expansion of the property subject to this Declaration in accordance with the provisions of this Article; and

B. The right and option as described hereinabove shall terminate on the 31st day of December, 1992; and

C. In the event the Declarant adds to the real property subject to this Declaration all of the real property described in this ARTICLE III, the Declarant covenants and agrees that no more than a total of seventy (70) units will be added to the eight (8) units in TARA COURT, PHASE I-A; and

D. The Declarant covenants and agrees that all buildings containing units built upon the real property which may be subjected to this Declaration under this Article shall be not more than two (2) stories in height above ground level situated upon finished grade and shall be constructed with materials like or substantially similar to those used in TARA COURT, PHASE I-A; and

E. It is understood and declared that the undivided fractional or percentage interest owned by each unit owner of units in TARA COURT, PHASE I-A in the common areas and facilities of TARA COURT, PHASE I-A, is as stated in Article IV hereunder. However, it is further declared that in the event the Declarant, pursuant to the provisions of this Article, adds to or expands the property, and therefore the number of units, unit owners, and common areas and facilities subject to this Declaration and the jurisdiction of the Association, then consequently the fractional or percentage interest owned by each unit owner of units in TARA COURT, all phases, in the expanded common areas and facilities of TARA COURT, all phases, shall necessarily have to change from that as established in ARTICLE IV hereunder. It is further understood that the Act provides that the fractional or percentage undivided interest of each unit owner in the common areas and facilities as expressed in any Declaration shall have a permanent character and shall not be altered except with the unanimous consent of all unit owners expressed in an amended Declaration duly recorded. Therefore, in the event the Declarant adds to or expands the property subject to this Declaration, pursuant to this Article, then every unit owner of units in TARA COURT, any phase, by the acceptance of the Deed for his unit shall be deemed to have specifically agreed for himself, his heirs, devisees, successors and/or assigns that the Declarant shall have the exclusive right and power, as attorney-in-fact for every unit owner, to establish the undivided fractional or percentage interest of each such unit owner in the expanded common areas and facilities of TARA COURT, all phases, as well as the right and power to establish the undivided fractional or percentage interest in the expanded common areas and facilities of TARA COURT, all phases, to be appurtenant to additional units of TARA COURT, and, therefore, (a) the liability of each unit owner for common expenses, not specifically assessed, (b) the interest of each unit owner in any common surplus, and (c) the voting rights in the Association of each unit owner; which such undivided fractional or percentage interests shall be executed and recorded in the Office of the Register of Deeds of New Hanover County, North Carolina, in order to expand or add to the property subject to this Declaration as is provided for hereinabove. It is hereby declared and agreed that the Declarant shall establish said undivided interests without prior consultation with or consent of any unit owner of any unit in TARA COURT, any phase; and, that, the Declarant covenants and agrees to establish such undivided fractional or percentage interests for all units at such times as may be necessary pursuant to this Article in the proportions that the then fair market value of each unit, new and existing, as shall be determined solely by the Declarant, bears to the then aggregate fair market

value of all units on the date of the supplemental declaration, or declarations. In determining such fair market value for any additional unit added to or made subject to this Declaration, Declarant may use the offering or purchase price of such unit or the fair market value as established by any independent appraiser. In determining the fair market value of units previously subjected to the Declaration, the Declarant may use the value as then established for tax purposes by the appropriate authorities or the value established by any independent appraiser.

F. Nothing herein shall be deemed to limit or alter the Declarant's right, hereby reserved, to vary the internal layout, size or configurations of any units hereafter constructed so long as the Declarant substantially conforms with the provisions of this Article.

ARTICLE IV.

The Nature and Incidents of Unit Ownership

A. Each unit shall be conveyed and treated as an individual real property capable of independent use and fee simple ownership, and the owner of each unit shall also own, as an appurtenance to the ownership of each said unit, an undivided interest in the common areas and facilities of TARA COURT. The undivided interest in the common areas and facilities of TARA COURT, appurtenant to each of the eight (8) units of TARA COURT, PHASE I-A, is as established and shown on Exhibit "E" hereto attached, made a part hereof, and incorporated herein by reference.

The proportional interest in the common areas and facilities that is appurtenant to each unit has been determined in a manner consistent with the Act.

B. No unit may be divided or subdivided into a smaller unit or units than as shown on Exhibit "C" hereto, nor shall any unit or portion thereof be added to or incorporated into any other unit, unless written approval is first obtained from the Board of Directors of the Association as provided in Article V, Section D. hereof. The undivided interest in the common areas and facilities declared to be an appurtenance to each unit shall not be conveyed, devised, encumbered, or otherwise dealt with separately from said unit, and the undivided interest in common areas and facilities and limited common areas and facilities appurtenant to each unit shall be deemed conveyed, devised, encumbered, or otherwise included with the unit even though such undivided interest is not expressly mentioned or described in the instrument conveying, devising, encumbering, or otherwise dealing with such unit. Any conveyance, mortgage, or other instrument which purports to grant any right, interest, or lien in, to or upon a unit, shall be null, void and of no effect insofar as the same purports to affect any interest in a unit and its appurtenant undivided interest in common areas and facilities, unless the same purports to convey, devise, encumber, or otherwise trade or deal with the entire unit. Any instrument conveying, devising, encumbering, or otherwise dealing with any unit, which described said unit by the letter/building designation assigned thereto in Exhibit "C" without limitation or exception, shall be deemed and construed to affect the entire unit and its appurtenant undivided interest in the common areas and facilities. Nothing herein contained shall be construed as limiting or preventing ownership of any unit and its appurtenant undivided interest in the common areas and facilities by more than one person or entity as tenants in common, joint tenants, or as tenants by the entirety; provided, however, no unit shall be sold, or transferred under a time-share or interval ownership concept, as those terms are commonly used in the home building/real estate industry.

C. The common areas and facilities shall be, and the same are hereby declared to be subject to a perpetual nonexclusive easement in favor of all of the owners of units in TARA COURT, all phases, for their use and the use of their immediate families, guests or invitees, for all proper and normal purposes, and for the furnishing of services and facilities for which the same are reasonably intended, for the enjoyment of said owners of units. Notwithstanding anything above provided in this Article, the Association shall have the exclusive right to establish the rules and regulations pursuant to which the owner of any unit, tenants, his family, guests and

invitees, may be entitled to use the common areas and facilities, including the right to make permanent and temporary assignments of parking spaces, and to establish regulations concerning the use of any recreation areas.

D. Recognizing that the proper use of a unit by an owner or owners is dependent upon the use of the common areas and facilities in common with the owners of all other units, and that it is in the interest of all owners that the ownership of the common areas and facilities be retained in common by the owners, it is hereby declared that the proportional undivided interest in the common areas and facilities appurtenant to each unit shall remain undivided and no unit owner shall bring or have any right to bring any action for partition or division.

ARTICLE V.

Use Restrictions

A. Each unit is hereby restricted to single-family residential use by the owner hereof, his immediate family, guests, invitees and lessees. No owner of any unit shall permit the use of his unit for transient hotel or commercial purposes.

B. No immoral, improper, offensive or unlawful use shall be made of any unit or of the common areas and facilities, nor any part thereof, and all laws, zoning ordinances and regulations of all governmental authorities having jurisdiction of the unit shall be observed. No owner of any unit shall permit or suffer anything to be done or kept in his unit, or on the common areas and facilities, which will increase the rate of insurance on the unit, or which will obstruct or interfere with the rights of other occupants of the other units or annoy them by unreasonable noises, nor shall any owner undertake any use or practice which shall create and constitute a nuisance to any other owner of a unit, or which interferes with the peaceful possession and proper use of any other unit or the common areas and facilities.

C. The use of common areas and facilities, by the owner or owners of all units, and all other parties authorized to use the same, shall be at all times subject to such reasonable rules and regulations as may be prescribed and established governing such use, or which may be hereafter prescribed and established by the Association.

D. No owner of a unit shall permit any structural modification or alteration to be made to such unit without first obtaining the written consent of the Association, which consent may be withheld in the event that a majority of the Board of Directors of the Association shall determine, in their sole discretion, that such structural modifications or alterations would adversely affect or in any manner endanger the condominium in part or in its entirety. No owner shall cause any improvements or changes to be made on the exterior of the condominium (including painting or other decoration, or the installation of electrical wiring, television or radio antenna or any other objects, machines or air conditioning units which may protrude through the walls or roof of the condominium) or in any manner alter the appearance of the exterior portion of any building without the written consent of the Association being first had and obtained. No unit owner shall cause any object to be fixed to the common areas and facilities (including the location or construction of fences and the planting or growing of flowers, trees, shrubs, or any other vegetation) or in any manner change the appearance of the common areas and facilities or limited common areas and facilities without the written consent of the Association being first had and obtained.

E. So long as the Declarant shall retain ownership of any units, it may utilize any such unit or units for sales offices, models or other usage for the purpose of selling units within said project. The Declarant may assign this limited commercial usage right to any other person or entities as it may choose; provided, however, that when all units have been sold, this right of commercial usage by the Declarant, its successors and assigns shall immediately cease.

F. The exterior windows and doors of each unit shall be hung with some material so that only white will be seen from the exterior of the buildings.

G. No boats, boat trailers, campers or trucks (other than pick-up trucks) or other recreational or commercial vehicles will be allowed upon any of the common areas of the condominium or the street leading to said condominium.

H. The use of the condominium may be further restricted under the By-Laws of the Association, or its Rules and Regulations.

ARTICLE VI.

Easements

In addition to easements and rights established and/or reserved elsewhere in this Declaration, the following easements and rights are hereby established as covenants and burdens running with the real property and the improvements thereon:

A. In case of any emergency originating in or threatening any unit, regardless of whether the owner is present at the time of such emergency, the Board of Directors of the Association, or any other person authorized by it, or the managing agent, shall have the right to enter such unit for the purpose of remedying or abating the cause of such emergency, and such right of entry shall be immediate.

B. Each unit owner shall have an easement in common with the other owners of all units to use all pipes, wires, ducts, cables, conduits, public utility lines and other common facilities located in any of the other units and serving his unit. Each unit shall be subject to an easement in favor of the owners of all other units to use the pipes, ducts, cables, wires, conduits, public utility lines and other common facilities serving such other units and located in such unit. The Board of Directors of the Association or their designee shall have the right of access to each unit to inspect the same, to remove violations therefrom and to maintain, repair, or replace the common facilities contained therein or elsewhere in the building.

C. The initial and subsequent Boards may grant or assume easements, leases, or licenses for utility purposes for the benefit of the condominium, including the right to install, lay, maintain, repair, and replace water lines, pipes, sewer lines, gas mains, telephone and television wires and equipment and electrical conduits and wires over, under, along and on any portion of the units and/or common areas and facilities; and, each unit owner hereby grants to the Board, or its designee, the irrevocable power of attorney to execute, acknowledge, and record for or in the name of the Association or each unit owner such instruments as may be necessary to effectuate the foregoing.

D. Ingress and egress is reserved for pedestrian traffic over, through and across sidewalks, paths, walks, and lanes as the same from time to time may exist upon the common areas and facilities; and, for vehicular traffic over, through and across such portions of the common areas and facilities as from time to time may be paved and intended for such purposes, for all unit owners of units in all phases of TARA COURT, all phases, their guests, invitees, lessees, the Association, the Declarant, its successors and assigns.

E. In the event that any unit shall encroach upon any of the common areas and facilities, or any other unit or units, for any reason not caused by the purposeful or negligent act of the unit owner, or agents of such owner, then an easement appurtenant to such unit shall exist for the continuance of such encroachment upon the common areas and facilities or upon a unit for so long as such encroachment shall naturally exist; and, in the event that any portion of the common areas and facilities shall encroach upon any unit, then an easement shall exist for the continuance of such encroachment of the common areas and facilities upon any unit for so long as such encroachment shall naturally exist. If any unit or common

E. Management and Maintenance:

1. The Association, as a common expense, shall be responsible for the maintenance, repair and replacement of all of the common areas and facilities, and limited common areas and facilities including those portions thereof which contribute to the support of the building or buildings, and all conduits, ducts, plumbing, wiring, and other facilities located in the common areas and facilities for the furnishing of utility and other services to the units and said common areas and facilities, and should any incidental damage be caused to any unit by virtue of any work which may be done or caused to be done by the Association in the maintenance,

repair, or replacement of any common areas and facilities, the Association shall, at its expense, repair such incidental damage. Whenever the maintenance, repair, and replacement of any item for which the Association is obligated to maintain, replace or repair at its expense is occasioned by any act of a unit owner, his guests, invitees or tenants, and such loss or damage may be covered by any insurance maintained in force by the Association, the proceeds of the insurance received by the Association shall be used for the purpose of making such maintenance, repair, or replacement, except that the unit owner who is responsible for the act causing the damage (whether done by himself or by his tenants, guests, or invitees) shall be required to pay such portion of the cost of such maintenance, repair, and replacement as shall, by reason of the applicability of any deductibility provision of such insurance, exceed the amount of the insurance proceeds applicable to such maintenance, repair, or replacement.

2. The Association shall have the right to make or cause to be made such alterations or improvements to the common areas and facilities which do not prejudice the rights of the owner of any unit in the use of his unit, provided the making of such alterations and improvements are approved by the Board of Directors of the Association, and the cost of such alterations or improvements shall be common expenses to be assessed and collected from all of the owners of all units. However, where any alterations and improvements are exclusively or substantially for the benefit of the owner or owners of a certain unit or units requesting the same, then the cost of such alterations or improvements shall be assessed against and collected solely from the owner or owners of the unit or units exclusively or substantially benefited, the assessment to be levied in such proportion as may be determined by the Board of Directors of the Association.
3. The Association may enter into a contract with a management company or manager for the purposes of providing all elements of the operation, care, supervision, maintenance, and management of the property. All the powers and duties of the Association necessary or convenient for such maintenance and management may be delegated to and vested in the manager by the Board of Directors, except such as are specifically required by this Declaration, the By-Laws, or the Unit Ownership Act, to have the approval of the Board of Directors or the Association. The manager is hereby further authorized to recommend the annual budget, and, upon approval thereof by the Board of Directors, make assessments for common expenses, and collect such assessments as provided in this Declaration and the By-Laws, subject always to the supervision and right of approval of the Board of Directors.
4. Unit Owners Maintenance:

Every owner shall perform promptly all maintenance and repair work within his unit which, if omitted, would affect the condominium, either in its entirety or in a part belonging to other owners; every owner being expressly responsible for the damages and liability which his failure to do so may engender. The owner of each unit shall be liable and responsible for the maintenance, repair, and replacement, as the case may be, of all air conditioning and heating equipment, stoves, refrigerators, fans, or other appliances or equipment, including any fixtures and/or their connections required to provide water, light, power, telephone, sewage and sanitary service to his unit. Such owner shall further be responsible and liable for the maintenance, repair, and replacement of the surfaces of any and all walls, ceilings,

and floors which are a part of his unit, including painting, decorating, and furnishings, and all other accessories which such owner may desire to place or maintain in his unit. Whenever the maintenance, repair, and replacement of any item for which the owner of a unit is obligated to maintain, replace, or repair at his own expense is occasioned by any loss or damage which may be covered by any insurance maintained in force by the Association, the proceeds of the insurance received by the Association shall be used for the purpose of making such maintenance, repair, or replacement except that the owner of such unit shall be, in said instance, required to pay such portion of the costs of such maintenance, repair, and replacement as shall, by reason of the applicability of any deductibility provision of such insurance, exceed the amount of the insurance proceeds applicable to such maintenance, repair, or replacement. All glass doors, windowframes, panes and screens are a part of the respective units and shall be maintained by the respective unit owners. } Doors & windows

All parts of a unit shall be kept in good condition and repair by and at the expense of the owner. The unit shall be maintained by the owner in a clean and safe condition, free of nuisance. Each unit owner will promptly comply with any requirements of the insurance underwriters of the insurance for the common areas and facilities when so requested in writing by the Board or its designated agent. Any failure of an owner to repair, maintain, or replace as may be required pursuant to this Declaration, or a determination by the Board or its designated agent that such failure will endanger or impair the value of the common areas and facilities or any unit may be, upon written notice to the owner of the nature of the required repair, maintenance, or replacement, repaired or replaced by the Association at the expense of the unit owner, and any such expenditures shall be collected by special assessment as provided herein and in the By-laws. Such assessment may include the cost to the Association incurred in the abatement of any nuisance maintained by the unit owner therein.

5. Limitation of Liability: Notwithstanding the duty of the Association to maintain and repair parts of the condominium property, the Association shall not be liable to unit owners for injury or damage caused by any latent condition of the property to be maintained and repaired by the Association, or caused by the elements or other owners or persons.

F. Insurance:

1. Acquisition: Insurance policies upon the condominium (other than title insurance) shall be purchased by the Association in the name of the Board of Directors of the Association, as Trustee for the unit owners and their respective mortgagees as their interests may appear, and shall provide for the issuance of certificates or mortgage endorsements to the holders of first mortgages on the units or any of them, and if the companies writing such policies will agree, the policies shall provide that the insurer waives its rights of subrogation as to any claims against unit owners, the Association and their respective servants, agents, and guests. Each unit owner may obtain insurance, at his own expense, affording coverage upon his unit, his personal property and for his personal liability and as may be permitted or required by law, but all such insurance shall contain the same waiver of subrogation as that referred to above if the same is available.
2. Coverage: All buildings and improvements upon the land and all personal property included in the common areas and facilities shall be insured in an amount equal to the

maximum insurable replacement value, excluding foundation and excavation costs, or by ninety percent co-insurance coverage or by such other form of policy as the Board of Directors annually determines will most reasonably provide the funds necessary to repair or reconstruct the insured improvements. Such coverage shall afford protection against (a) loss or damage by fire and other hazards covered by a standard extended coverage endorsement, and (b) such other risks as from time to time shall be customarily covered with respect to buildings similar in construction, location and use as the buildings on the real property, such insurance to include, but not be limited to, vandalism and malicious mischief.

3. Public Liability Insurance: Public liability insurance shall be secured by the Association in such amount and with such coverage as shall be deemed necessary by the Board of Directors, including, but not limited to, an endorsement to cover liability of the unit owners as a group or to a single unit owner. There shall also be obtained such other insurance coverage as the Board of Directors or manager shall determine from time to time to be desirable or necessary.
4. Premiums: Premiums upon insurance policies purchased by the Association shall be paid by the Association and chargeable to the Association as a common expense.
5. Proceeds: All insurance policies purchased by the Association shall be for the benefit of the Association and the unit owners and their mortgagees as their interests may appear, and shall provide that all proceeds thereof shall be payable to the Association as insurance trustee under this Declaration. The Board of Directors of the Association is hereby irrevocably appointed agent for each unit owner and his mortgagee as their interests may appear for the purpose of compromising and settling claims arising under insurance policies purchased by the Board of Directors for the benefit of the Association and the unit owners. Said Board of Directors or its designee is hereby further empowered to execute and deliver releases to the insurance carrier upon the payment of claims. The Board of Directors' duty or its designee's duty upon receipt of such proceeds shall be to hold the same in trust for the purposes elsewhere stated herein or in the By-Laws, for the benefit of the Association and the unit owners and their mortgagees, as their interests may appear.
6. Distribution of Insurance Proceeds: Proceeds of insurance policies shall be payable to the Board of Directors of TARA COURT UNIT OWNERS ASSOCIATION, as insurance trustee and shall be distributed to or for the benefit of the beneficial owners in the following manner:
 - (a) Expense of the Trust: All expenses of the insurance trustee shall be first paid or provision made therefor, if any;
 - (b) Reconstruction or Repair: If the damage for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the cost thereof as determined in this Paragraph F(7) hereof. Any proceeds remaining after defraying such cost shall be distributed as surpluses to the beneficial owners of the damaged units pursuant to Paragraph H hereof;
 - (c) Failure to Reconstruct or Repair: If it is determined, as provided in Paragraph F(7) hereof, that the damage for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be distributed as surpluses to the beneficial owners of

the damaged units thereof pursuant to Paragraph H hereof;

- (d) Mortgagees: In the event a mortgagee endorsement has been issued as to a unit, the share of the unit owner shall be held in trust for the mortgagee and the unit owner as their interests may appear; provided, however, that no mortgagee shall have any right to determine or participate in the determination as to whether any damaged property shall be reconstructed or repaired.

7. Damage and Destruction:

Determination to Reconstruct or Repair: If any part of the condominium property shall be damaged by casualty, whether it shall be reconstructed or repaired shall be determined in the following manner;

- (a) Common Areas and Facilities: If the damaged improvement is a common area or facility, the damaged property shall be reconstructed or repaired, unless it is determined in the manner elsewhere provided that the condominium shall be terminated;

(b) Units:

- (i) Partial Destruction: If the damaged improvement is a unit, and if termination as provided in subparagraph (ii) below does not take place, the damaged property shall be reconstructed or repaired unless within sixty (60) days after the casualty it is determined by agreement in the manner elsewhere provided that the condominium shall be terminated;

- (ii) Total Destruction: If more than two-thirds (2/3) of the units are destroyed and the owners of three-fourths (3/4) of the units in the entire condominium should determine not to proceed with repair or restoration, then the procedure set forth in Section 47A-25 of the North Carolina Statutes, and any amendments thereto, shall take place.

Plans and Specifications: Any reconstruction or repair must be substantially in accordance with the plans and specifications for the original building, portions of which are attached hereto as exhibits; or if not, then according to plans and specifications approved by the Board of Directors of the Association, and if the damaged property is a unit, by the owners of all damaged units therein which approvals shall not be unreasonably withheld.

Responsibility: If the damage is only to those parts of one unit for which the responsibility of maintenance and repair is that of the unit owner, then the unit owner shall be responsible for reconstruction and repair after casualty. In all other instances the responsibility of reconstruction and repair after casualty shall be that of the Association.

Estimate of Costs: Immediately after a determination to rebuild or repair damage to property for which the Association has the responsibility of reconstruction and repair, the Association shall obtain reliable and detailed estimates of the costs to rebuild or repair.

Assessments: If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair by the Association, or if at any time during reconstruction and repair, or upon completion of reconstruction

and repair, the funds for the payment of the costs thereof are insufficient, assessments shall be made against the unit owners who own the damaged units, and against all unit owners in the case of damage to common areas and facilities, in sufficient amounts to provide funds for the payment of such costs. Such assessments against unit owners for damage to units shall be in proportion to the cost of reconstruction and repair of their respective units. Such assessments on account of damage to common areas and facilities shall be in proportion to the unit owner's share in the common areas and facilities.

G. Association to Maintain Register of Owners and Mortgagees: The Association shall at all times maintain a Register setting forth the names of the owners of all of the units. In the event of the sale or transfer of any unit to a third party, the purchaser or transferee shall notify the Association in writing of his interest in such unit together with such recording information as shall be pertinent to identify the instrument by which such purchaser or transferee has acquired his interest in any unit. Further, the owner of each unit shall notify the Association of the names of the parties holding any mortgage or mortgages on any unit, the amount of such mortgage or mortgages and the recording information which shall be pertinent to identify the mortgage or mortgages. The holder of any mortgage or mortgages upon any unit may, if he so desires, notify the Association of the existence of any mortgage or mortgages held by such party on any unit and, upon receipt of such notice, the Association shall register in its records all pertinent information relating thereto.

H. Assessments: Liability, Lien and Enforcement: The Association has been given the authority to administer the operation and management of the condominium, it being recognized that the delegation of such duties to one entity is in the best interest of the owners of all units. To properly administer the operation and management of the condominium, the Association will incur for the mutual benefit of all of the owners of units, costs and expenses which are sometimes herein referred to as "common expense". To provide the funds necessary for such proper operation, management, and capital improvement, the Association has heretofore been granted the right to make, levy and collect assessments against the unit owners and their units. In furtherance of this grant of authority to the Association to make, levy and collect assessments to pay the costs and expenses for the operation, management of and capital improvements to the condominium, the following provisions shall be operative and binding upon all the owners of all units:

1. All assessments levied against the unit owners and their units shall be uniform and, unless specifically otherwise provided for in this Declaration, all assessments made by the Association shall be in such an amount that any assessment levied against a unit owner and his unit shall bear the same ratio to the total assessment made against all unit owners and their units as the undivided interest in common areas and facilities appurtenant to each condominium unit bears to the total undivided interest in common areas and facilities appurtenant to all units. Should the Association be the owner of a unit or units, the assessment which would otherwise be due and payable to the Association by the owner of such unit or units, reduced by the amount of income which may be derived from the leasing of such unit or units by the Association, shall be apportioned and the assessment therefor levied ratably among the owners of all units which are not owned by the Association, based upon their proportionate interests in common areas and facilities exclusive of the interests therein appurtenant to any unit or units owned by the Association.
2. Assessments provided for herein shall be payable in monthly installments. Such assessments shall commence for each unit on the first day of the first month following the recording of the deed in the New Hanover County, North Carolina

Reg. ry from the Declarant to the first unit owner in said condominium.

3. The Board of Directors of the Association shall establish an annual budget in advance for each fiscal year (which shall correspond to the calendar year, except that in the initial year of operation of the condominium, the fiscal year shall commence with the closing of the sale of the first condominium unit). Such budget shall project all expenses for the forthcoming year which may be required for the proper operation, management, and maintenance of the condominium, including a reasonable allowance for contingencies and reserves, such budget to take into account projected anticipated income which is to be applied in reduction of the amounts required to be collected as an assessment each year. The Board of Directors shall keep separate, in accordance with Paragraph 4 hereof, items relating to operation and maintenance from items relating to capital improvements. Upon adoption of such annual budget by the Board of Directors of the Association, copies of said budget shall be delivered to each owner of a unit and the assessment for said year shall be established based upon such budget, although the delivery of a copy of said budget to each owner shall not affect the liability of any owner for such assessment. Should the Board of Directors at any time determine, in its sole discretion, that the assessments levied are, or may prove to be, insufficient to pay the costs of operation and management of the condominium, for the year in which said costs are incurred or to be incurred, or in the event of emergencies, the Board of Directors shall have the authority to levy such additional assessment or assessments it may deem to be necessary, provided, it shall first receive the assent of two-thirds (2/3) of the votes of the members who are voting in person or by proxy at a meeting of the membership called for that purpose.
4. The Board of Directors of the Association, in establishing the annual budget for operation, management, and maintenance of the condominium, may designate therein a sum to be collected and maintained as a reserve fund for replacement of and capital improvements to the common areas and facilities, which capital improvement and replacement fund (capital improvement fund) shall be for the purpose of enabling the Association to replace structural elements and mechanical equipment constituting a part of the common areas and facilities, as well as the replacement of personal property which may constitute a portion of the common areas and facilities held for the joint use and benefit of the owners of units. The amount to be allocated to the capital improvement fund may be established by said Board of Directors so as to collect and maintain a sum reasonably necessary to anticipate the need for replacement of common areas and facilities. The amount collected for the capital improvement fund shall be maintained in a separate account by the Association and such monies shall be used only to make capital improvements to common areas and facilities. Any interest earned on monies in the capital improvement fund may, in the discretion of the Board of Directors of the Association, be expended for current operation and maintenance.
5. In order to insure that the Association will initially have funds available to meet unforeseen expenditures, or to acquire additional equipment or services deemed necessary or desirable, the Declarant has provided or shall provide in each contract for the initial purchase of a unit the provision that the first purchasers of a Unit the Condominium shall pay, as a closing cost item, an initial Unit Owner's Association fee, not to exceed \$150.00, but not less than two (2) months regular assessments for the Unit.

INCREASED to
\$250.00

These initial Unit Owner's Association's assessment to provide a working capital fund for the Association. These initial Unit Owner's Association's Fees shall not be considered as advance payment of regular assessments.

6. All monies collected by the Association shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of any expense of operating and managing the condominium, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, the Articles of Incorporation and the By-Laws of the Association. As monies for any assessment are paid unto the Association by any owner of a unit, the same may be co-mingled with monies paid to the Association by the other owners of units. Although all funds and common surplus, including other assets of the Association, and any increments thereto or profits derived therefrom or from the leasing or use of common areas and facilities, shall be held for the benefit of the members of the Association, no member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein, except as an appurtenance to his unit. When the owner of a unit shall cease to be a member of the Association by reason of his divestment of ownership of such unit, by whatever means, the Association shall not be required to account to such owner for any share of the funds or assets of the Association, or which may have been paid to the Association by such owner, as all monies which any owner has paid to the Association shall be and constitute an asset of the Association which may be used in the operation and management of the condominium.
7. The payment of any assessment or installment thereof shall be in default if such assessment or installment is not paid to the Association within thirty (30) days of the due date for such payment. When in default, the delinquent assessment or delinquent installment thereof due to the Association shall bear interest at the rate of ten percent (10%) per annum, until such delinquent assessment or installment thereof, and all interest due thereon, has been paid in full to the Association. All monies owing to the Association shall be due and payable at the main office of the Association in the State of North Carolina.
8. The owner or owners of each unit shall be personally liable, jointly and severally, to the Association for the payment of all assessments, regular or special, which may be levied by the Association against such unit while such party or parties are owner or owners of a unit. In the event that any unit owner or owners are in default in payment of any assessment or installment thereof owed to the Association, such unit owner or owners shall be personally liable, jointly and severally, for interest on such delinquent assessment or installment thereof as above provided, and for all costs of collecting such assessment or installment thereof and interest thereon, including a reasonable attorney's fee, whether suit be brought or not.
9. No owner of a unit may exempt himself from liability for any assessment levied against him or his unit by waiver of the use of enjoyment of any of the common areas and facilities, or by abandonment of the unit or in any other way.
10. Recognizing that proper operation and management of the condominium requires the continuing payment of costs and expenses therefor, and that such proper operation and maintenance results in benefit to all of the owners of units, and that the payment of such common expenses represented by the assessments levied and collected by the

Association is necessary in order to preserve and protect the investment of each unit owner, the Association is hereby granted a lien upon each unit and its appurtenant undivided interest in common areas and facilities, which lien shall secure and does secure the monies due for all assessments now or hereafter levied against the owner of each such unit, which lien shall also secure interest, if any, which may be due on the amount of any delinquent assessments owing to the Association, and which lien shall also secure all costs and expenses, including a reasonable attorney's fee, which may be incurred by the Association in enforcing this lien upon said unit and its appurtenant undivided interest in common areas and facilities. The lien granted to the Association may be foreclosed in the manner provided by North Carolina General Statute 47A-22 and in any suit for the foreclosure of said lien, the Association shall be entitled to the appointment of a receiver for said unit. The lien granted to the Association shall further secure such advances for taxes, and payments on account of superior mortgages, liens, or encumbrances which may be required to be advanced by the Association in order to preserve and protect its lien, and the Association shall further be entitled to interest at the highest rate allowed by law on any such advances made for such purpose. All persons, firms, or corporations who shall acquire, by whatever means, any interest in the ownership of any unit, or who may be given or acquire a mortgage, lien, or other encumbrance thereon, are hereby placed on notice of the lien rights granted to the Association, and shall acquire such interest in any unit expressly subject to such lien rights.

11. The lien herein granted unto the Association shall be enforceable from and after the time of recording a claim of lien in the public records of New Hanover County, North Carolina, which claim shall state the description of the unit encumbered thereby, the name of the record owner, the amount due and the date when due. The claim of lien shall be recordable any time after default and the lien shall continue in effect until all sums secured by said lien as herein provided shall have been fully paid. Such claims of lien shall include only assessments which are due and payable when the claim of lien is recorded, plus interest, costs, attorney's fees, advances to pay taxes and prior encumbrances and interest thereon, all as above provided. Such claims of lien shall be signed and verified by an officer or agent of the Association. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record. The lien provided for herein shall be subordinated to the lien of any first mortgage or deed of trust and any person, firm, or corporation acquiring title to any unit and its appurtenant undivided interest in common areas and facilities by virtue of any foreclosure, deed in lieu of foreclosure or judicial sale, shall be liable and obligated only for assessments as shall accrue and become due and payable for said unit and its appurtenant undivided interest in common areas and facilities subsequent to the date of acquisition of such title, and it shall not be liable for the payment of any assessments which were in default and delinquent at the time it acquired such title. In the event of the acquisition of title to a unit by foreclosure, deed in lieu of foreclosure or judicial sale, any assessments or assessments as to which the party so acquiring title shall not be liable shall be absorbed and paid by all owners of all units as a part of the common expenses, although nothing herein contained shall be construed as releasing the party liable for such delinquent assessment from the payment thereof or the enforcement of collection of such payment by means other than foreclosure.

12. Whenever any unit may be leased, sold, or mortgaged by the owner thereof, the Association, upon written request of the unit owner, shall furnish to the proposed lessee, purchaser, or mortgagee, a statement verifying the status of payment of any assessment which shall be due and payable to the Association by such unit owners. Such statement shall be exercised by any officer of the Association, and any lessee, purchaser, or mortgagee may rely upon such statement in concluding the proposed lease, purchase, or mortgage transaction, and the Association shall be bound by such statement.

In the event that a unit is to be leased, sold, or mortgaged at a time when payment of any assessment from the owner of said unit due to the Association shall be in default (whether or not a claim of lien has been recorded by the Association), then the rent, proceeds of such purchase, or mortgage proceeds, shall be applied by the lessee, purchaser, or mortgagee first to payment of any then delinquent assessment or installments thereof due to the Association, before the payment of any rent, proceeds of purchase, or mortgage proceeds to the owner of any unit who is responsible for payment of such delinquent assessment.

In any voluntary conveyance of a unit, the purchaser thereof shall be jointly and severally liable with seller for all unpaid assessments against seller due prior to the time of such voluntary conveyance, without prejudice to the rights of the purchaser to recover from seller the amounts paid by purchaser therefor.

Institution of a suit at law to attempt to effect collection of the payment of any delinquent assessment shall not be deemed to be an election by the Association which shall prevent it from thereafter seeking, by foreclosure action, enforcement of the collection of any sums remaining owing to it, nor shall proceeding by foreclosure to attempt such collection be deemed to be an election precluding the institution of a suit at law to collect any sum then remaining owing to Association.

I. Common Surplus: All common surplus shall be owned by the owners of all units in the same proportion that the undivided interest in common areas and facilities appurtenant to each owner's unit bears to the total of all undivided interest in common areas and facilities appurtenant to all units; provided, however, that said common surplus shall be held by the Association in the manner, and subject to the terms, provisions, and conditions of this Declaration imposing certain limitations and restrictions upon the use and distribution thereof. Except for distribution of any insurance indemnity herein provided, or upon termination of the condominium, any attribution or distribution of common surplus which may be made from time to time shall be made to the then owners of units in accordance with their percentage interest in common surplus as declared herein.

ARTICLE VIII.

Termination

The condominium shall be terminated, if at all, in the following manner:

A. The termination of the condominium may be affected only by the unanimous agreement of all unit owners of TARA COURT expressed in an instrument to that effect duly recorded and provided, that the holders of all liens affecting any of the units consent thereto, or agree, in either case by instrument duly recorded, that their liens be transferred to the percentage of the undivided interest of the unit owner in the property as provided in Subparagraph C below. The termination shall become effective when such agreement has been recorded in the public records of New Hanover County, North Carolina.

B. If it is determined in the manner elsewhere provided that the condominium shall not be reconstructed after casualty, the condominium plan of ownership shall be terminated and this Declaration revoked. The determination not to reconstruct after casualty shall be evidenced by a certificate of the Association certifying as to the facts effecting the termination, which certificate shall become effective upon being recorded in the Public Records of New Hanover County, North Carolina.

C. After termination of the condominium, the unit owners shall own the property as tenants in common in undivided shares and the holders of mortgages and liens against the unit or units formerly owned by such unit owners shall have mortgages and liens upon the respective undivided shares of the unit owners. The undivided share or interest owned as tenants in common shall be that percentage of the undivided interest in the common areas and facilities previously owned by each unit owner. All funds held by the Association and insurance proceeds, if any, shall be and continue to be held for the unit owners in the same proportion. The costs incurred by the Association in connection with the termination shall be a common expense.

D. The members of the Board of Directors acting collectively as agent for all unit owners, shall continue to have such powers as in this Article are granted, notwithstanding the fact that the Association itself may be dissolved upon a termination.

ARTICLE IX.

Amendment of Declaration of Condominium

A. This Declaration may be amended in the following manner: An amendment or amendments to this Declaration may be proposed by the Board of Directors of the Association in acting upon a vote of a majority of the Directors, or by the members or the Association owning a majority of the units, whether meeting as members or by instrument in writing signed by them. Upon any amendment or amendments to this Declaration being proposed by said Board of Directors or members, such proposed amendment or amendments shall be transmitted to the President of the Association, or other officer of the Association in the absence of the President, who shall thereupon call a special meeting of the members of the Association for a date not sooner than twenty (20) days nor later than sixty (60) days from receipt by him of the proposed amendment or amendments. It shall be the duty of the Secretary to give to each member written or printed notice of such special meeting, stating the time and place thereof, and reciting the proposed amendment or amendments in reasonably detailed form, which notice shall be mailed not less than ten (10) days nor more than thirty (30) days before the date set for such special meeting. If mailed, such notice shall be deemed to be properly given when deposited in the United States mail addressed to the member at his post office address as it appears on the records of the Association, the postage thereon prepaid. Any member may, by written waiver of notice signed by such member, waive such notice, and such waiver, when filed in the records of the Association, whether before or after the holding of the meeting, shall be deemed equivalent to the giving of notice to such member. At the meeting, the amendment or amendments proposed must be approved by an affirmative vote of seventy (70%) percent of the members owning units in the condominium in order for such amendment or amendments to become effective. Thereupon, such amendment or amendments of this Declaration of Condominium shall be transcribed and certified by the President and Secretary of the Association as having been duly adopted. The original or an executed copy of such amendment or amendments, so certified and executed with the same formalities as a deed, shall be recorded in the Public Records of New Hanover County, North Carolina, within ten (10) days from the date on which the same became effective, such amendment or amendments to specifically refer to the recording date identifying the Declaration. Thereafter, a copy of said amendment or amendments in the form in which the same were placed of record by the officers of the Association shall be delivered to the owners of all units, but delivery of a copy thereof shall not be a condition precedent to the effectiveness of such amendment or amendments. At any meeting held to consider such amendment or amendments, the written vote of any member of the Association shall be recognized if such member is not in attendance at

such meeting or represented thereat by proxy, provided such written vote is delivered to the Secretary of the Association prior to such meeting or at such meeting.

B. No alteration in the percentage of ownership in common areas and facilities appurtenant to each unit, or alteration of the basis for sharing common expenses and other apportionment of assessments which may be levied by the Association in accordance with the provisions hereof, or alteration of basis of ownership of common surplus, shall be made without the prior written consent of all of the owners of all units and all of the institutional lenders holding first mortgages or first deeds of trust on the units.

C. No alteration, amendment, or modification of the rights and privileges granted and reserved hereunder in favor of an institutional lender or institutional lenders shall be made without prior written consent of all institutional lenders holding mortgages on units in the condominium being first had and obtained.

D. No alteration, amendment, or modification of the rights and privileges granted and reserved hereunder in favor of the Declarant shall be made without the written consent of said party being first had and obtained.

E. So long as the Declarant controls the Board of Directors of the Association, no additional properties, other than those contemplated by Declarant and set forth in the Declaration Creating Unit Ownership of Property and to be constructed upon the real estate described in Exhibit "B" to said Declaration shall be annexed to the project, nor shall an Amendment to this Declaration be valid without the prior written consent of the Administrator of Veterans Affairs, and/or his successor in such office, as such, and/or his duly appointed representative.

ARTICLE X.

Remedies in Event of Default

The owner or owners of each unit shall be governed by and shall comply with the provisions of this Declaration and the Articles of Incorporation and By-Laws of the Association, as any of the same are now constituted or as they may be amended or supplemented from time to time. A default by the owner of any unit shall entitle the Declarant, the Association, or the owner of other units to the following relief:

A. Failure to comply with any of the terms of this Declaration or other restrictions and regulations contained in the Articles of Incorporation or By-Laws of the Association, or which may be adopted pursuant thereto, shall be grounds for relief including, without limitation, an action to recover sums due for damages, injunctive relief, foreclosure of lien, or any combination thereof. Such relief may be sought by the Association or, if appropriate, by an aggrieved unit owner.

B. Each unit owner shall be liable for the expense of any maintenance, repair, or replacement rendered necessary by his act, neglect, or carelessness, or by that of any member of his family, or his or their guests, employees, agents, or lessees, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association. Such liability shall include any increase in fire insurance rates occasioned by use, misuse, occupancy, or abandonment of a unit or its appurtenances. Nothing herein contained, however, shall be construed so as to modify any waiver by insurance companies of rights of subrogation.

C. In any proceedings arising because of an alleged default by a unit owner, the Association, if successful, shall be entitled to recover the costs of the proceeding and such reasonable attorney's fees as may be determined by the Court, but in no event shall any unit owner be entitled to such attorney's fees.

D. The failure of the Association or any unit owner to enforce any right, provision, covenant, or condition which may be granted by this
